Hidden Harm

Numerous courses are available which can be sourced from external providers including Safeguarding Boards, Local Authorities and other external training providers. Please contact Progressive Care Academy for further information.

TEAM TEACH

THE AIMS & OBJECTIVES OF THE COURSE ARE:

- To promote the least intrusive positive handling strategy and a continuum of gradual and graded techniques, with an emphasis and preference for the use of verbal, non-verbal de-escalation strategies being used and exhausted before positive handling strategies are utilised.
- To enable services develop acceptable and authorised responses to disruptive, disturbing, angry and aggressive behaviours in a manner that maintains positive relationships and provides safety for all, by training in Team-Teach.
- To reduce the amount of serious incidents involving physical controls in all settings and to emphasise the importance of exhausting behaviour management strategies in the first instance.
- To increase the awareness of staff concerning the importance of recording and reporting, monitoring and evaluating, all incidents involving positive handling.
- To provide a process of repair and reflection for both staff and children
